Senate Bill No. 383–Senator Ford

CHAPTER.....

AN ACT relating to financial planners; imposing a fiduciary duty on broker-dealers, sales representatives and investment advisers who for compensation advise other persons concerning the investment of money; authorizing the Administrator of the Securities Division of the Office of the Secretary of State to adopt regulations concerning such fiduciary duty; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) defines a "financial planner" as a person who for compensation, among other activities, advises others as to the investment of money, but excludes certain persons from the definition; (2) provides that a financial planner has the duty of a fiduciary toward a client; and (3) provides for civil liability of a financial planner under certain circumstances. (Chapter 628A of NRS) Section 1 of this bill revises the definition of financial planner to remove the exclusions for a broker-dealer, a sales representative and an investment adviser, thereby making such persons subject to the provisions of existing law governing financial planners. Section 1.3 of this bill provides that the requirement for a financial planner to maintain certain insurance or a surety bond does not apply to broker-dealers, sales representatives and investment advisers included in the definition of "financial planner" pursuant to section 1.

Existing law provides that certain persons defined as a financial planner must be licensed as insurance consultants for certain purposes related to viatical settlements. (NRS 688C.212) Section 2 of this bill maintains the existing definition of financial planner for such purposes.

Existing law generally provides that the Administrator of the Securities Division of the Office of the Secretary of State licenses and regulates broker-dealers, sales representatives, investment advisers and representatives of investment advisers. (Chapter 90 of NRS) If a person violates a provision of law administered by the Administrator, the Administrator may impose certain sanctions on that person, including, without limitation, the imposition of a civil penalty of not more than \$25,000 for a willful violation of such a provision of law. (NRS 90.630, 90.640) Section 1.7 of this bill: (1) enacts a provision to enable the Administrator to enforce the fiduciary duty imposed on broker-dealers, sales representatives, investment advisers and representatives of investment advisers pursuant to section 1; and (2) authorizes the Administrator to adopt regulations defining or excluding acts, practices or courses of business as violations of that fiduciary duty and prescribing means to prevent violations of that fiduciary duty.
